The manual on the left is the first one ever issued for the 8N. It's dated July 7, 1947 and is the most rare. This style manual was used until March '49 when the cover design was changed to add a 3/4 side view photo of the tractor. The position of the tractor in the photo changed slightly in 1950 to that in the photo on the right.

The Ford N-series tractors were a line of farm tractors produced by Ford between 1939 and 1952, spanning the 9N, 2N, and 8N models.. The 9N was the first American-made production-model tractor to incorporate Harry Ferguson's three-point hitch system, a design still used on most modern tractors today. It was released in October 1939. The 2N, introduced in 1942, was the 9N with some
