~~Mikrotik vs Ubiquiti Bullet2 Mikrotik Groove Mikrotik Groove A~~

The MikroTik Groove is a fantastic product to use as a marine WiFi booster. However, it is not the simplest device to configure. This guide covers setting up and configuring the Groove for initial use, and some additional recommendations. Other articles I've written that cover more details on configuration and usage:

We have a Mikrotik Groove A-52hpn on our boat which we use to pick up internet from the marina. It's then connected to a Linksys router to provide Wi-Fi to all our devices. Up until two days ago this worked great! Then someone came to the marina and did some work on the internet. They changed the name of the signal.
