ATWOOD RV INSTALLATION & OPERATION MANUAL Pdf Download ...

Wedgewood ovens are commonly found in boats and RVs, and the pilot lights for the ovens need to be manually lit whenever the gas supply is interrupted. The pilot light on a Wedgewood stove is always on the right-hand side of the stove burner, underneath the broiler pan.

How to Light the Gas Pilot Light on a Wedgewood by Atwood ...

Wedgewood Vision Oven Won't Light - posted in Problems, Solutions & After Market: Hello, I am new to the forum and the outback world. I recently purchased a 250rs and the family and I are on our first camping trip now. Now to the problem. I have been trying to light my oven and every time I light the pilot light it goes out as soon as I try to turn the knob. I have had it lit for several ...
